Bring your PE kit and any extra equipment required: Football - shin pads and football boots Rugby - gum shield and rugby boots Hockey - shin pads and gum shield</p>

Year 7 Drama Club (S)

A fun club that will help to develop your drama skills and build towards some short performances in the Winter Showcase in December.

Years 7-9 Homework Club

Come along to a quiet supervised space with staff support and PC access. Please note there is no Homework Club on Thursday 19 September due to Year Meet the Tutor event.

Years 7-9 Art Club (S)

Work on fun art projects outside of class time.

Years 7-9 Photography Club (S)

Work on fun photography projects outside of class time.

Years 7-9 Maths Challenge Club

We will meet to try challenging maths questions and hopefully take part in a group maths competition in Term 3.

Year 8 Flying Start Club (S)

Working in teams, students design and build gliders to compete with other schools locally and regionally, with big prizes up for grabs. Visiting graduates from the aerospace industry teach the basics in flight and glider designing. Students learn to work collaboratively, sharing ideas and solving problems.

Years 8-13 School Play (S)

An opportunity to be in a brand-new play which we will perform both at Bristol Free School and then again at Bristol Old Vic in March. Details to be confirmed late September.

Years 8-9 Make Your Own Clothes Club (S)

Have you ever wanted some clothes that were designed especially for you? What better way to get them than by doing it yourself. We will draft out patterns for various items of clothing and then get on the sewing machines to create something unique.

Years 7-9 Engineering Club (S)

Work on projects to develop your problem solving skills with creativity and teamwork.

Year 9 Robotics Club (S)

Master robotics by building and programming an automaton! No robotics knowledge necessary to start this short course.

Year 9 Design Innovate Club (S)

Are you inventive? Innovative? Love designing? Enjoy problem solving? Passionate about our world? If you are in year 9 you are invited to take part in our "Innovate" club. We will be working together to design a solution to a real-world problem. This is part of a national competition run by the V&A. There are schools across the country taking part with impressive prizes for the winners.

Years 10-13 Open Workshop

Open workshop to support NEA.

Year 11

Food Tech NEA Catch Up

Come along for extra support with your NEA.

Years 10-11 ESU Churchill Public Speaking Contest

England and Wales' largest public speaking contest!

Years 10-13

Model United Nations

In this club we take the juicy topics in politics and international relations, debate them, generate solutions and reflect on how different countries view them. This is a chance to develop your communication skills, empathy, teamwork...and may even lead to a trip or two to debate with other schools at local or national events.

Years 10-13

Multi-Faith Prayer Room Club

This Sixth Former run club is for anyone who would like a quiet space to pray on a Wednesday lunchtime. All faiths welcome.

Eco Club

Help towards making our school a much more sustainable and environmentally friendly place to be!

Books and Babble

Come to the library to chat about the book you are reading, hear about a good book from someone else, and get some great reading in.

Programming Club (S)

Coding through fun interactive projects.

Literature Club

Calling all literature lovers! This Sixth Former run club will be a platform for discussion about classic text of literature. No previous understanding/experience necessary - just a love of literature!

Science Club

The place for curious minds to explore. From chemistry experiments to physics challenges, deep dive into the coolest parts of science!

Board Games Club

Join Board Games Club for epic games sessions full of friendly competition.

School Musical (School of Rock)

A full on, loud, energetic musical about a failed wannabe rock star turned supply teacher, who makes it his mission to educate his class of straight-laced, straight A students in the ways of Rock 'n' Roll. There are opportunities to be a singer, dancer, actor, musician, technician, crew member.
