We will expect students and staff to wear face coverings in communal areas until Wednesday 26 January when the government makes its next announcement regarding covid restrictions.

# BFS ECO CLUB

BRISTOL  
EDUCATION  
PARTNERSHIP

We are very proud of Maha, James, Susie, Dylan, Imogen, Harry and Ben who were involved in a Bristol Education Partnership Eco Council meeting. Along with students from Orchard School, St Brendan's, Redmaids, Colston's School, Clifton College, Clifton High, Badminton and Bristol Grammar School, they presented their work on BEP's Climate Challenge.

The feedback from the partnership was really positive, 'The students all did brilliantly: they gave excellent and concise presentations, showcasing the wide range of work taking place across BEP schools on our Climate Challenge project. I was really impressed, as were colleagues from the various organisations that are supporting us.

If you're a Year 9 student who loves performing and wishes there were more drama lessons on your timetable, then GCSE Drama may be just the option for you!

Ms Clifton is running a practical workshop after school from 3.15-4.15pm on Thursday 27 January in the drama hall for all those considering drama as a potential GCSE option. Don't worry if you're not quite sure yet, this will be a great opportunity for you to work practically with others who share your enthusiasm for creating and performing drama and give you an idea of what GCSE drama will be like. **Hope to see lots of you there!**

# BFS EXTRA-CURRICULAR

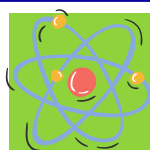

MRS BOARD

This week saw a triumphant return to our extra-curricular programme at BFS! We were all so excited to explore new clubs and return to old favourites, with both staff and students showing off their skills and talents! The choices are so varied, there is truly something for everyone, from high octane juggling with Mr Lally to the calm stitching of crochet with Miss Rowden. Record numbers were in attendance for Science Club, Board Game Club and Photography Club and we are delighted that students are so keen and enthusiastic. What a great start to 2022!
