

*Transition: All about me*

**NAME:**

30 June 2021

Dear Parents/Carers and new Year 7 Students,

We are looking forward to seeing you in September for your next adventure of starting secondary school. It is an exciting, nervous and anxious time for parents / carers and students and we will do all we can to make transition as smooth as possible.

Usually you would come and visit us before September, but unfortunately this cannot happen this year. This pack is designed so we can learn more about you before you start at Bristol Free School.

Very soon, on our school website there will also be a video, which will give you a virtual tour of the school on our website and some video messages from key members of staff and current Year 7 students. We will also put some useful links on the website along with a welcome booklet containing key information needed before you start with us. Please do check our website and look out for any further correspondence from BFS.

This booklet is in two parts – one for students and one for parents. Both parts need to be completed and returned to us by Friday 16 July or before. You can return the pack by post or scan it and send it back electronically to the transition email address.

Remember that we are here for you and want to support you as much as we can before you start with us at BFS. If you have any worries or questions, then you can email: **[transition@bristolfreeschool.org.uk](mailto:transition@bristolfreeschool.org.uk)** or please do look at the transition tab on our website for lots of helpful information.

We look forward to meeting you all soon!
